

APRON STYLE SHOW

Only one model per registered team will be allowed. Models may only be one of the listed team members for the June Cook-Off event. Models may be male or female. Clothing must be worn under aprons. Aprons with lewd, graphic or offensive language, attachments or pictures will not be allowed. Models with their aprons will be approved prior to presentation! No inappropriate clothing under aprons. This includes but may not be limited to bikinis, thongs, fishnet, transparent clothing of any kind, no bathing suits, short shorts or other revealing clothing. The body needs to be covered from neck to knees. Wigs, makeup, costumes, any acceptable attachment or other acceptable enhancement is allowed at the discretion of the promoter.

Each model will provide a decorated can, box or basket which identifies their team. Quarters will be collected from the audience (dollars may also be collected if the audience wishes) and will count as votes for the model. Model with the highest total collection will be the winner. No model may allow quarters in the voting container until show time. Please bring your quarters with you as promoter will not supply them. Funds from this event benefit Columbus FFA Chapter Students.

The style show will run concurrent with 'You're the Judge' ice breaker. Models need to be approved by 6:30 pm.
